

BDS COMPANY OVERVIEW

At BDS, our mission is to manufacture the most efficient equipment possible. Since 1970 we have provided reliable, durable products that are hand built in Oregon. We offer a wide variety of operatory configurations, all of it simple and built to last. Whether it's an individual handpiece control or a full operatory, our focus is function. With products that can easily fit any budget, our line is both cost effective and diverse. At BDS, we give you the longevity you deserve.

From operatory packages to specialty units or individual components, we take great pride in all phases of production. Our technicians are skilled, experienced, and detail oriented. BDS products are backed by the industry's best warranty, and even include a personalized, signed photo from your technician. Enjoy the peace of mind that comes from knowing exactly who built your equipment and where it came from.

At BDS, you can find something new every day. Our product line is built to use, and will stand the test of time. Our savvy customer service team is standing by to answer any question that you may have, from initial inquiries to installation.
