### **BDS's Mobile Carts Provide Flexible Solutions**

June 11, 2018, Newberg, OR. BDS has been a leading manufacturer of mobile carts for over 45 years. "BDS has the most solid reputation for mobile carts in the dental industry," states Jeff Bunker, BDS Vice President of Sales and Marketing. "Mobile Carts are a time-honored utility, as they provide more positioning flexibility than other piece of equipment. We offer a variety of models to fit any practice, at any position, that a doctor, hygienist or assistant needs."

BDS' mission is to manufacture the most efficient equipment possible. Since 1970, the company has provided reliable, durable products that are hand built in Oregon. BDS offers a wide variety of operator configurations, all of it simple and built to last. From individual handpiece controls to full operator systems, the focus is function. Cost effective and diverse, BDS gives its customers the longevity they deserve.

"I have purchased BDS Assistant's Carts and Doctor Delivery Carts," says Dr. George Epperson of Arcata, CA. "I continue to be impressed with the resilience and construction of their products. BDS units are solid and surprisingly affordable."

"Our focus is bang for the buck utility," states BDS President Rick Whitman. "Our team is highly skilled, and can tailor a cart to your individual needs. The first dental unit this company ever built was a cart; we have 15 standard configurations in the catalogue alone, and many more options available."

"BDS' Duo Rear Delivery Cart in particular offer left/right flexibility for both Doctor and hygienist," states JS, Equipment Specialist. "BDS is easy to work with from a dealer perspective, with reasonable lead times and complete products upon delivery. They continue to represent value across the board, providing solid equipment that is priced fairly."

"BDS products are characterized by well crafted, dependable designs which allow American quality to be affordable to everyone," states BDS President Rick Whitman. "We continuously set the standard for value, reliability and quality. BDS provides unparalleled customer service, and our products are backed by the industry's best warranty. We strive to be totally accountable for the service and support our customers want and deserve."
