# SEATING SOLUTIONS

The BDS commitment to comfortable, reliable, and durable seating does not stop with the patient. BDS knows that trouble-free seating improves productivity, so we offer simple seating for both Doctors and assistants. Our Doctor's stool provides an adjustable backrest,

Model  
**DR-96**

Model  
**DR-97**

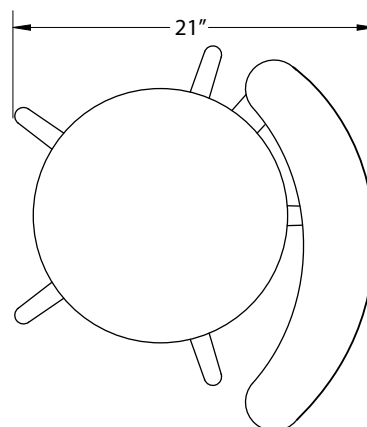

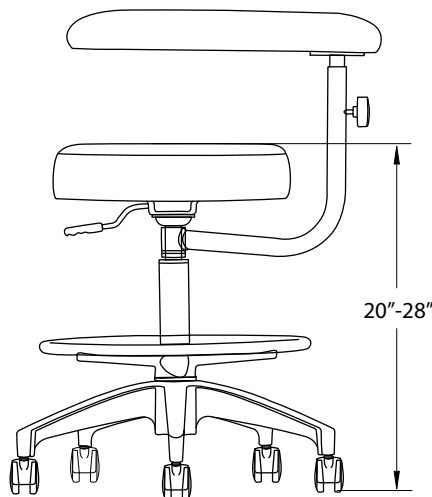

and the Assistant's stool utilizes an adjustable torso support, while both include height adjustment. With BDS seating in the operator's, everyone is comfortable, and the job gets done.
